Parents/Carers,

We have been asked by Northamptonshire Police to contact parents regarding a possible internet safeguarding issue.

They have advised us that a man calling himself David Sebastian has been sending inappropriate messages to students in this area. He has over 1,000 “friends” on Facebook, most of them being young teenage girls. His profile photo shows a dual heritage male in a striped top. A Mercedes car can be seen in the background. It is strongly recommended that you speak to your children, particular female students and check that they do not have David Sebastian as a ‘friend’. Please instruct them to ‘unfriend’ and ‘block’ him if they have him on a profile.

The CEOP website [www.thinkuknow.co.uk](http://www.thinkuknow.co.uk) has advice and guidance for parents, carers and children on how to stay safe on-line and we recommend that you check the website regularly.
