- ✚ Please submit your child's 3 enrichment choices online via www.hattonacademy.org.uk
- ✚ A Microsoft form is held on the Academy website under **School Information – Year 6 into Year 7 Transition – under Important Information.**
- ✚ Please don't forget to include your child's full name and primary school
- ✚ Choices must be submitted **by Wednesday 14th July latest.** Thank you

YEAR 7 - TUESDAY P6 ENRICHMENT – AUTUMN TERM 2021 CHOICES

On Tuesday afternoons our last lesson is called **Tuesday P6 Enrichment**. This is a time when you choose an activity to try something new, maybe learn a new skill and make new friends. For your first term we offer a selection of activities so you can stay with your year group (not necessarily with your friendship groups or form). Next term you will have an opportunity to choose again with a much wider choice and with other year groups.

What do I do now?	<ul style="list-style-type: none"> ✚ Choose 3 activities – there is no rank order – Please submit 3 choices online via Academy website above by Wednesday 14th July latest. ✚ Please don't forget to include on your child's name and primary school on the form
Will I get one of my choices?	<ul style="list-style-type: none"> ✚ Yes, if possible. Please don't be too disappointed if you do not receive one of your three choices, or if it is not the same as your friends, as some are more popular than others. A computer sort allocates your choice.
What if I don't choose 3 activities?	<ul style="list-style-type: none"> ✚ The computer sort will allocate your choice – so make sure you choose 3 options!
Do I have to pay?	<ul style="list-style-type: none"> ✚ Most activities are free ✚ There may be a small charge for materials/resources/subscriptions ✚ Full payment is required in advance for activities via Sims Pay please use the payment reference given by the Finance Office ✚ No payment is required if you are eligible for free school meals however you must submit the online consent sent via MyEvolve our new online consent portal Please check with your parents first before selecting activities with a cost
I have lost my enrichment consent form	<ul style="list-style-type: none"> ✚ This will be sent online via MyEvolve to your parent/carer
Do I need kit?	<ul style="list-style-type: none"> ✚ If allocated a sport option, you will need to bring in your PE kit each week – sanctions will apply if you forget! ✚ You may have to bring in materials from home
Where are the activities held?	<ul style="list-style-type: none"> ✚ Most activities are held here at the Academy ✚ For activities off site you will receive a consent via MyEvolve to be completed and submitted online. ✚ Some on onsite activities continue after school or off site activities returning back to school after 3 pm or you may be dismissed from the venue.

ENRICHMENT ACTIVITIES	<p align="center">Select your 3 choices with a cross X in the box against your 3 preferred activities</p> <p>NAME: _____ PRIMARY SCHOOL: _____</p> <p align="center"><i>If you forget to choose ALL 3 activities – we will choose for you!</i></p>	<p align="center">Select 3 activities and mark with X</p>	<p align="center">Activity Code</p>
<p>Astronomy Club Maximum 20</p>	<p>Join the Astronomy Club to explore the universe beyond the Earth's atmosphere! You will be learning about objects we can see with our naked eyes, like the Sun, the Moon, the planets, and the stars and also objects we can only see with telescopes or other instruments, like faraway galaxies and tiny particles.</p>		<p align="center">Astronomy</p>
<p>Chess Club Maximum 20</p>	<p>Learn chess from scratch or improve your current chess-playing skills. Find out how to play chess competitively to develop your problem-solving and team-building skills. The first few sessions involve basic chess game rules and moves building onto practice skills in preparation for timed tournaments to find our chess champions.</p>		<p align="center">Chess</p>
<p>Code Club Maximum 24</p>	<p>Do you spend a lot of time online? Have you ever wondered how websites are built and why some look better than others? Join us and find out how to create and design websites using HTML and CSS. Must enjoy computing to participate in this activity.</p>		<p align="center">Code</p>
<p>Debate Club Maximum 25</p>	<p>This is a great chance to explore opinions on controversial and 'hot topics' of interest and decide on what you really think about things also to explore the rights and wrongs in the world. It will be a chance to develop skills needed to become a confident public speaker and how to assert your opinion in a respectful way. Each week there will be a chance to have a go at being 'team captain' and to compete to be a member of the 'winning debate team'.</p>		<p align="center">Debate</p>
<p>Extended Project Maximum 25 By Invitation only</p>	<p>Extended Project Qualification Level 1 – Maximum 25 (this is for the whole year) The extended project is offered to Year 7 students from the gifted, talented and more-able cohort. This is a unique opportunity to gain useful skills in independent research and time management to build a creative portfolio on a project of their choice. Students will be invited to take part in this activity when parental consent is required to confirm their place for the award. This enrichment is for the whole school year with no option to change to a different enrichment activity during the year.</p>	<p align="center">Invitation only – do not choose</p>	<p align="center">ExtY7</p>

Petanque Maximum 16	The games of boules, otherwise known as Petanque, is perhaps the sport that is closest to French hearts, similar to British lawn bowling or Italian bocce. One of the best things about Petanque is that practically anyone can play. The most important thing, about this amazing game, is that the rules are easy to learn and you can play with or against your friends!		Petanque
The Virtual Marathon Challenge : Running Maximum 30	Get fitter, get faster and run off the homework blues! Building towards a race at the end of the term. During this session you will take part in the Virtual Marathon Challenge Award recording your weekly distance to achieve an online marathon. Running maybe offsite when consent is required. There is a cost of £2.50 to enrol onto the award scheme. PE kit and trainers are required for this activity.	£2.50 per term PE Kit required	7Running
Science Club A Maximum 24	Join Science Club A to take part in a range of exciting scientific experiments and activities. You can only choose this club once, but you could try Science Club B next time once you have tried A.		7Science A
Science Club B Maximum 24	Join Science Club B to take part in a range of exciting scientific experiments and activities. You can only choose this club once, but you could try Science Club A next time once you have tried B.		7Science B
Solving the Rubik's cube Maximum 15	<i>For beginners only</i> Being able to solve the Rubik's cube should be on EVERYONE's list of skills to learn. Learning to do this is a real challenge but can be achieved by anyone who is willing to put in the time and effort. It will leave you with a huge sense of accomplishment, which gets greater every time you show someone else that you can do it. You will need to have or buy a Rubik's cube to participate in this activity.	Rubik's cube required	Rubik
Table Tennis Maximum 16	Come and play the most popular indoor sport in the world! Table Tennis is a fun sport that can be played by anyone, and could even take you all the way to the Olympic Games! Each week you will focus on a different aspect of the game in order to become the best Table Tennis player you can be. You will gain an appreciation of the rules and techniques of this sport from experienced player. PE kit and trainers are required for this activity.	PE Kit required	Table
Writing Master Class Maximum 24	Do you want to get better at writing? Mr Wright will show you how! Over the course of this enrichment, you will be guided through all the skills necessary to become an accomplished, thoughtful and engaging writer. We will tackle the written word in many genres and styles, in both fiction and non-fiction. Each week will focus on a particular aspect of writing. You will be expected to actively participate, be enthusiastic and be prepared to comment on work of others!		Writing
