June 2018

Dear Parents and Carers,

RE: Friday 13th July 2018 – Race for Life Fun Run - Hatton Academies Trust Event

At 10.00am on Friday 13th July, all our year 7 students will participate in a Race for life Fun Run alongside students from our Hatton Academies Trust Primaries (Oakway, Ecton Village and Victoria Primary). This year we will ask the children for sponsorship or donations for Cancer Research UK, which does such important work across the country.

All year 7 students will take part in this Trust community event as they would for a PE lesson, however we are aiming to raise money for Cancer Research UK and so are asking for a suggested £1 donation on the day to support that worthwhile organisation.

Children will be expected at the academy **at normal time** in their **full Hatton PE Kit**. The year 7 can stay in their PE kit for the whole day but they will be in normal lessons in the afternoon so should bring their normal books and equipment including a pencil case, DEAR book and planners.

Please apply sunblock to your child before school and give them hay fever medication if required. If they use an inhaler for asthma please ensure it is in school. If rain is forecast, please send them to school with a waterproof jacket. All children should bring a bottle of water.

Thank you for your support to make this community event successful.

Yours Sincerely,

Mrs K Gunn
Senior Assistant Principal
