Questions

1. At what point during the summer did you start thinking about your results?

The day before.

2. How did you pass your time in order to take your mind off your results?

I worked a lot and went on holiday.

3. Were you calm, worried or frantic on the morning of results day?

Calm, I was pretty sure of the grades that I would get and my apprenticeship had been confirmed before results day.

4. What was your first reaction when you saw the grades you achieved?

I was very happy.

5. Why did you pick the pathway you have, what would you like to pursue as a career?

Getting an apprenticeship with FCO Services is a dream come true for me and will hopefully lead into a career within IT.

6. Outside of academic study, what are you looking forward to the most about the apprenticeship?

Learning new things and finally working in a different environment that will be challenging but stimulating.

7. Can you cook and use a washing machine? What is your signature dish?

I think so, I haven't had that much practice.

8. What advice would you give any student thinking about studying A levels?

Know what you want and do everything in your power to make it happen.
