

Name: Serena Balsara

UNIVERSITY OF
BIRMINGHAM

Questions

1. At what point during the summer did you start thinking about your results?

A week before results day.

2. How did you pass your time in order to take your mind off your results?

Kept myself busy and slept... a lot!

3. Were you calm, worried or frantic on the morning of results day?

Worried, I didn't know what to expect.

4. What was your first reaction when you saw the grades you achieved?

I was super shocked with my results, I didn't realise they had gone so well.

5. Why did you pick the course you have been accepted onto, what would you like to pursue as a career?

I chose a Sociology course at university as I have always wanted to get a degree. What this leads onto, I am not sure and I do not have a particular career path in mind at this point.

6. Outside of academic study, what are you looking forward to the most about the apprenticeship?

The independence and the night life.

7. Can you cook and use a washing machine? What is your signature dish?

Yes, a pasta bake is my best dish.

8. What advice would you give any student thinking about studying A levels?

Work hard from day one and just keep doing those past papers.
