The University of
Nottingham

Questions

1. At what point during the summer did you start thinking about your results?

As soon as I had finished my exams, so all through the summer.

2. How did you pass your time in order to take your mind off your results?

I worked through the summer and spent a lot of time with family and friends just to take my mind off my results.

3. Were you calm, worried or frantic on the morning of results day?

I was frantic and worried because I really didn't know what grades to expect.

4. What was your first reaction when you saw the grades you achieved?

I was really happy that I got into my first choice university.

5. Why did you pick the course you have been accepted onto, what would you like to pursue as a career?

I would like to become an architect, so university was always my first choice.

6. Outside of academic study, what are you looking forward to the most about university?

I am most looking forward to the independence of university life and meeting new people; as well as studying architecture.

7. Can you cook and use a washing machine? What is your signature dish?

Yes I can cook and use the washing machine. My signature dish is tiramisu.

8. What advice would you give any student thinking about studying A levels?

Definitely start thinking about what you want to do after VI Form early on and keep on top of things as it is really hard to catch up once you have fallen behind.
