Happy cakes – bake some positivity ☺

Design challenge w/c 30th March 2020

Design and/or make cakes to keep people positive and bring a smile to their face during this time of social distancing. You can either design one large cake or a range of fairy cakes/cupcakes.

You can draw out your designs on one of the templates attached, remember to be as creative as you can!

Alternatively, if you have the ingredients and permission, get in the kitchen and make and decorate some cakes. These could be enjoyed with the people at home or left on the doorstep of a neighbour to cheer them up (remember to ask permission from your parent/carer first!)

Please find below recipes for cupcakes and Victoria sponge cake.

Whether you make cakes, or design them on paper, email a picture to Mr Lane lanes@hattonacademy.org.uk or tweet @Hatton_DTART so we can share the result with the rest of #TeamHatton and share the joy!

Challenge: You could design cakes to thank the work of NHS staff or to celebrate being part of 'Team Hatton'.

Olivia Slade made these fab cupcakes with red, white and blue piping to represent the UK pulling together! She has given some to her elderly next door neighbour and will give some to her grandparents when she drops their shopping off. #teamhatton #proud #bakesomepositivity
