Dear Parents/Carers

We are writing to share with you our enormous pride as we can confirm that Sir Christopher Hatton Academy's progress score for 2018/19 will place the Academy in the top 1% of schools nationally.

The Progress 8 measure indicates that students at Sir Christopher Hatton on average achieved 1 grade higher in every GCSE they completed when compared to the national average. This is a phenomenal achievement and is a testament to the hard work and efforts from all our students, exceptional staff and the support from our parents/carers.

We believe that results like these are through the Academy's expectations of excellence which commence when students join us in Year 7. This is why we expect all students to come to school 'dressed for excellence' with the correct uniform, 'ready for excellence' with the correct equipment and why we ensure that children are completing all homework that is set for them.

We offer a homework club on site from Monday - Thursday until 4.00pm. Students do not need to book to attend. The homework club is based in the school library where there are a wealth of resources available to assist your child. We also have a very supportive pastoral team dedicated to caring for your children and they can be accessed via the Learning Zone.

We value greatly our parent partnership, and as parents ourselves, are aware of the importance of working in tandem, listening and supporting to ensure that all of our children reach their full potential. We would like to extend our thanks and gratitude to you for your continued support of Sir Christopher Hatton.

Yours Sincerely,

Nick Salisbury
Co-Principal
Sir Christopher Hatton Academy
