## MESSAGE TO PARENTS & CARERS

We are excited to introduce you to our new parent/carer newsletter.

We understand as parents ourselves how difficult it can be to keep up to date with what's happening at the Academy. With this in mind we have made the decision to launch Hatton News.

Our aim is to strengthen our communication to keep you as parents/carers updated on Academy information.

Hatton News will cover a range of topics, from the latest Academy news and events, to student achievements and important notices.

In addition, Hatton News will feature articles which are relevant to parenting and education. We will be sharing tips and strategies on how you can support your child's learning and development.

We welcome any feedback or suggestions you may have for future editions.

Best wishes,

Mr Mitchell & Mr Salisbury

# HEAD STUDENTS

We would like to introduce ourselves as your newly appointed Head and Deputy Head Students, and outline what we hope to achieve this academic year. We wish to inspire positive change in the academy through reflecting and celebrating the interests of the students at the Academy. We hope to do this through building a positive school environment, which engages with its students and gives back to the community.

For the coming year, we will be working with students in senior roles and societies across the Academy to implement more diversity, charity funding, social events, environmental improvement, and sporting events.

We understand how important social interactions are within the Academy. This is one reason why we are so passionate about the senior roles and societies, as we want to build a more interactive community.

In doing so, we want to encourage students to acknowledge their impacts through participating in social events. This will help highlight their individual differences and contributions to the wider Academy.

We believe this is important as students should feel comfortable in using their own voice and understand their true potential in influencing change.

We hope you will support us in the upcoming year, and we look forward to collaborating with you.

# COMMUNICATION

## MEETING WITH ACADEMY STAFF

Now that we have all settled into the new academic year, we would like to remind parents of the importance of following our school's protocol when it comes to visiting the Academy site.

We kindly ask that you always make an appointment before visiting the Academy. This will ensure we can provide you with the best possible service and that your needs are met in the most efficient way possible. Going forwards, any parent/carer who turns up at the Academy outside of their appointment time, or unannounced will be asked to make an appointment.

Our priority is always the safety and well-being of our students, and we must adhere to strict safety protocols to maintain this. By booking an appointment, we can ensure that everyone is aware of your visit, and measures can be taken to keep everyone safe.

### NEED ASSISTANCE ?

Your child's form tutor should always be the first person to contact in case you have any questions or concerns. They will be able to provide you with guidance and support when needed and will also direct you to the appropriate staff member should you require further assistance.

Form tutors contact details can be located on the Academy Website [here](#).

## WELFARE SUPPORT @ SCHA

You may not be aware that we have a dedicated Welfare Team working alongside the wider pastoral team at the academy. Students are made aware during assemblies of who this team is, what their role is, and how to access them in school. We felt that it was just as important that you, as parents and carers, are also aware of the support available to you and how you can access it. Please pick up the phone, drop us an email, or arrange a meeting if you feel that there is anything we should be aware of or can support with.

The Welfare Team, based in B6 in our Learning Support Zone, is a one-stop-shop for support for our students and their families.

Whether it is mental health concerns, healthy eating worries, difficulties with addiction (including vaping), or worries about community risks we have access to agencies and interventions that can support with this.

For parents and carers struggling with challenging behaviour at home, in need of advice on keeping their children safe, or seeking signposting to support for their own needs we are here for you.

In the current cost of living crisis there is support available for families from the Welfare Team: we are able to complete a referral for food bank vouchers from the local food bank. Please reach out to us if you require this support.

**“PLEASE PICK UP THE PHONE, DROP US AN EMAIL, OR ARRANGE A MEETING IF YOU FEEL THAT THERE IS ANYTHING WE SHOULD BE AWARE OF OR CAN SUPPORT WITH”**

Don't suffer in silence – even if we can't help you directly we are likely to be able to signpost you to an agency that can. Please note that for some concerns that are brought to our attention we have a statutory duty to make a referral to Northamptonshire Children's Trust for additional support:

Students: support, signposting and referrals:

Online safety; mental health; sexual health; sleeping difficulties; LGBTQIA+ support; impacts of parental separation; domestic abuse support; trauma support; bereavement support; protective behaviours; anger management; drug or alcohol use; smoking/vaping; healthy eating; gang involvement; community risk; victims of crime support; support for young carers; advice on healthy living and fitness; and many more.

Parents/carers: support, signposting and referrals:

Food bank vouchers; domestic abuse; online safety advice; adult mental ill-health; adult substance addiction including alcohol; parenting support and advice; managing challenging behaviours at home (including child to parent violence); SEND support and advice (in partnership with the Academy's SEND team); support for parenting previously looked after children; victims of crime support; and many more.

#### External Agency Focus: Service 6

Service 6 is a local charity providing free youth counselling and online safety sessions for our students. Sessions can take place in school or at their premises in Wellingborough. Reach out to the Welfare Team for more information or to request that we make a referral for your child.

The Welfare Team are also supported by the Academy's online safety lead, Mr Reilly, to keep your children safe online. Look out for the upcoming online safety newsletter or access our online safety page for further information:
