Dear Parents, Carers and Students,

## GCSE Exam Preparation

As you will be aware the next two terms are extremely important for Year 11 students as they prepare for their GCSE exams. All students have recently received a hard copy of the Academies Subject Revision Guide which can be used to help support students in the run up to their exams. Please click on this [link](#) to view a copy.

During February half term, there are a series of revision classes being offered to Year 11 students to support them in their GCSE exam preparation. We strongly recommend Year 11 students to attend these sessions as they are a great way to kick start their revision. The schedule for the half term sessions is shown below and subject teachers will be communicating with Year 11 to recommend which sessions in particular they should attend.

Time	Monday	Tuesday	Wednesday	Thursday	Friday
Session 1 10:00am-12:00noon	Art Film Studies	History Textiles Design Tech. Music	H&SC Statistics Maths (Invite only)	Geography	-
Session 2 12:30pm-2:30pm	Art Film Studies	History Textiles Design Tech. Music	H&SC		-

We aim to offer more revision sessions during the Easter Break and details of these will be shared with you once we have finalised the schedule.

After half term our after-school intervention program will focus on Maths, English and Science. Details of times and days for intervention sessions can be found below:

These interventions will focus on key skills and content which will help support students in preparation for their exams. It is recommended that **all students** attend these interventions sessions which will take place in faculty areas or our auditorium. Any student who does not meet the Academies expectations during these sessions will be asked to leave and parents will be informed.

If you have any question in relation to the upcoming exam period please do not hesitate to contact [exams@hattonacademy.org.uk](mailto:exams@hattonacademy.org.uk).
