w/c 11/01/25 - Ski Trip
25/01/25 - DofE Training Day
29/01/25 - CERN

MESSAGE TO PARENTS & CARERS

Once again this term has provided a wide range of events and activities across the Academy.

It has been exciting to witness the launch of the Flourishing Leaders Programme. This initiative was massively oversubscribed and it was fantastic to see so many students put themselves forward. Showing a willingness to support the Academy community which really is humbling.

Our annual Armistice Service brought our whole school community together for a moment of reflection. We were honoured to be joined by members of the Royal British Legion and The Revd Canon Paula York.

As part of Anti-Bullying Week, students and staff were encouraged to take part in Odd Sock Day to celebrate what makes us all unique. A reminder for us all to choose respect and to empower us all to lead by example.

During the remainder of this term we have a number of house events to look forwards to, our personal favourites are the 1% Club Quiz and our end of year Big Fat Quiz of the Year.

As we move through this term it's important that we all take the time out to look after ourselves and take steps to look after our safety as the dark mornings and evenings are here. For those of you who have children who travel to school by bicycles, it is important to remember that they are legally required to have front white and rear red lights which must be lit when visibility is reduced. In addition, bicycles should be fitted with a rear red reflector and amber pedal reflectors.

As always, we would like to thank you for your continued support.

Best wishes,
Mr Mitchell & Mr Salisbury

ENGLISH

Year 11 have been working in small groups to compare two characters in a single scene of *Romeo and Juliet*, using oracy techniques to formally express points of similarity and difference. This led to some exciting new conclusions and was excellent preparation towards examination essays.

PHYSICS

We are pleased to have a Physics Society run by the Sixth Form Physicists and supported by Mr Simpson and Mrs Grantham.

So far this term they have investigated the speed of light with lasers, a microwave and sweets!

BUSINESS

Year 11 Business students had an opportunity to take part in an intervention workshop. As part of the workshop students looked at calculations in a business context and how to interpret these.

ENRICHMENT

Our KS3 students have been embracing their enrichment opportunities this term. Enrichment is a fantastic opportunity for students to develop upon their interests and talents.

FLOURISING LEADERS

After a tough recruitment process and over 330 applicants we are delighted to congratulate our newly appointed 'Hatton Flourishing Leaders'. We are looking forward to our inaugural Flourishing Leaders Day on Friday 29th November. Each applicant showed the Hatton Character Qualities in abundance and we are excited to see what they will achieve in the coming academic year. Each of the boards will be aiming to make a lasting impact on the entire school community and we cant wait for them to get started!

Mrs Peel in her role as whole school co-ordinator for Anti bullying lead Anti-Bullying week. This year for Anti-Bullying week we had a wide range of activities and events to highlight Anti-Bullying and to remind all those in our Academy community of our Hatton values and in treating everyone with kindness and respect.

Anti-bullying week 2024

All students had an assembly on the theme of Respect to highlight Anti-Bullying week

The art department had art activities on all week at lunchtime to encourage students to express their own individuality in the awareness of Anti-Bullying through creative use of kind words within artwork.

Sock shaped biscuits were sold in the canteen, thank you to the canteen staff for supporting anti bullying week.

The English department set a poetry activity to write a friendship poem. This was supported by many students who did a fantastic job with this.

We had Odd Sock day on Tuesday 12th November. This is a national event supported by the Anti Bullying Alliance who describe the event as "an opportunity to encourage people to express themselves and celebrate their individuality and what makes us all unique!"

ODD SOCK DAY 2024

Mr Salisbury's socks!

ARMISTICE SERVICE

We are incredibly proud of our students for their heartfelt participation in this year's Armistice Service, honouring those who have served and sacrificed for our country. The service was a moving tribute, with students showing great respect and maturity throughout. Additionally, our Combined Cadet Force (CCF) students represented our school with distinction at the local cenotaph, standing as a testament to their dedication and the values of remembrance and service. Their exemplary behaviour and commitment made us all proud.

CELEBRATING DEDICATION TO THE CADET FORCE

Following our Armistice Parade, we were honoured to witness our school's Combined Cadet Force (CCF) School Staff Instructor (SSI), Toni Austin, being awarded the prestigious Cadet Force Medal.

The Cadet Force Medal recognises 12 years of dedicated service by adult instructors and officers within the UK Cadet Forces, including the Combined Cadet Force, Sea Cadets, Army Cadet Force, and Air Training Corps. This medal honours those who have shown commitment, leadership, and a steadfast dedication to shaping and guiding young people in their personal and cadet development.

The presentation, held in a gathering with the Royal British Legion, was a fitting way to recognise SSI Toni Austin's contribution and long-standing commitment to supporting our cadets. Congratulations, SSI Austin, and thank you for your service!

AMBASSADORS

Ambassadors are nominated by each department area on a weekly basis as a result of outstanding commitment, contribution and progress. All nominated students receive a certificate, a photo with a member of the Senior Leadership Team and a free lunch on us.

THE HATTON HOUSE SYSTEM

AUTUMN TERM

We are thrilled to update you on the engaging house events that have taken place this term. These events have been wonderful opportunities for our students to display our school's core values of resilience, teamwork, and leadership, while enjoying a spirit of friendly competition.

This term, our students have actively participated in the following events:

- Year 7 Dodgeball
- Be an Upstander, not a Bystander Poster Competition
- Year 8 Boys Dodgeball
- Year 8 Girls Dodgeball
- Year 9 to 11 Dodgeball
- The Rowing Cup (whole school event)
- 6th Form Staff Wandering Trophy
- Year 9 to 11 Boys Basketball
- Year 7 Boys Basketball
- Year 7 Girls Benchball
- Year 7 Chanting Competition

PARTICIPATION

So far this term, we have seen over **300** students participate in our exciting house events, demonstrating their enthusiasm and dedication towards the school spirit. It is wonderful to witness students engaging wholeheartedly in these activities, which provide opportunities to build essential character values that we cherish at Hatton. Through teamwork, resilience, open-mindedness, and leadership, students are not only contributing to their house success but also developing skills and values that will serve them well beyond the school environment. The vibrant participation reflects our commitment to nurturing well-rounded individuals who embody the values of empathy, responsibility, and courage, reinforcing our school's ethos through each event.

We are so proud of the enthusiasm and sportsmanship displayed across all year groups. In addition to these completed events, we have several exciting activities planned for the remainder of the term, including:

- Thursday, 5th December: Staff and 6th Form Student Wandering Trophy Football (Sign-up sheet has been communicated, with a reminder to follow this week)
- Monday, 9th December: Orion House Assembly
- Monday, 9th December: Food Bank Collection begins
- Tuesday, 10th December: Year 8 Table Tennis (Advertised on Hatton News; sign-up sheets on EDULINK)
- Thursday, 12th December: Staff 1% Club Quiz
- Monday, 16th December: Luna House Assembly
- Wednesday, 18th December: Equinox House Assembly
- Thursday, 19th December: Year 9-11 Table Tennis (Advertised on Hatton News; sign-up sheets on EDULINK)
- Friday, 20th December: Titan House Assembly
- Friday, 20th December: Big Fat Quiz of the Year

We hope these events will foster even more enthusiasm, school spirit, and community involvement. If you have any questions, please do not hesitate to reach out.

MENTAL HEALTH SUPPORT TEAM PARENT WORKSHOPS FOR PARENTS AND CARERS OF SECONDARY AGED CHILDREN

Venue:
Health Education Room
Castle unit,
Isebrook Hospital,
Wellingborough
NN8 1LP

**UNDERSTANDING MY
TEEN'S WORRIES.**
Tues 28th January 2025
9:30-10:30am

Understanding my teen's Worries.
Parents or carers can be the first to observe a change in their child mood and can play a crucial role in addressing difficulties. Whilst worry is a common and healthy emotion, it may present in a range of ways, and therefore be difficult for parents/carers to explore. This workshop will provide some theoretical and practical guidance on how to understand and manage worry.
